

§ 2702.4

(e)(1) A person requesting records from the Commission pursuant to this section may request expedited processing of his request in cases in which he can demonstrate a compelling need for the records requested. For purposes of this paragraph a compelling need means:

(i) That a failure to obtain the requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) The information is urgently needed by a person primarily engaged in disseminating information in order to inform the public concerning actual or alleged Federal Government activity.

(2) A demonstration of compelling need by a person making a request for expedited processing shall be made by a statement certified by such person to be true and correct to the best of his knowledge and belief. Notice of the determination whether to grant expedited processing in response to a requester's claim of compelling need shall be provided to the person making the request within 10 calendar days after receipt of the request. The Commission will provide expeditious consideration of administrative appeals of determinations whether to provide expedited processing. Once a determination has been made to grant expedited processing, the Commission will process the request as soon as practicable.

(f) In denying a request for records, in whole or in part, the Commission shall make a reasonable effort to estimate the volume of the records denied, and provide this estimate to the person making the request, unless providing such an estimate would harm an interest protected by the exemption pursuant to which the request is denied.

(g) Any reasonably segregable portion of a record shall be provided to the person requesting it after the deletion of any exempt portions of the record. The amount of information deleted shall be indicated on the released portion of the record, at the place in the record the deletion is made if technically feasible, unless indicating the extent of the deletion would harm an interest protected by the exemption
